

DYNABOOK LAPTOPS READY FOR WINDOWS 11

August 31st, 2021 - TLV - Dynabook Europe has today unveiled plans for the arrival of Windows 11 across its range of business devices.

“Dynabook Europe is pleased to announce it will be offering its world-class portfolio of business laptops with Windows 11 pre-installed starting from Q4 this year. Our Business, education and channel partners will be able to benefit from the new operating system which will be available on models in the Portégé®, Tecra®, and Satellite Pro™ devices,” said Damian Jaume, President of Dynabook Europe GmbH. “Our current Windows 10 mobile computing solutions will also be eligible for a free upgrade from Microsoft when available, while models will continue to ship with Windows 10 for those who require longer to prepare for the transition to Windows 11.”
